PING PONG™

You can almost feel the tension of the big match breaking through the screen... the expectant crowd is almost on top of you! You return the service with a **Top-spin Backhand,** then a **Forward Back-spin,** the ball bounces high from your opponent's looping, defensive lob...

SMASH!

...a great shot opens the score... but this is only your first point! Play head to head or against the computer in this, Konami's first and best table-tennis simulation.
